

Appendix 20

City Championship Designation Youth and Adult

Regina Soccer Association

City Championship Designation – Youth and Adult

Youth Leagues

The following will apply to all youth leagues – both indoor and outdoor, starting the indoor season for 2004/2005.

Each playing season will have a regular season (league play) of a determined number of games. At the end of the regular season the team that finishes in first place will be called the **city champion**. As a team they will receive a single trophy or banner (or something suitable) to note the accomplishment. (Individual awards will also be presented to each member of the city championship. However, as league will not always have the opportunity to know ahead of time when an actual city championship is determined, the actual presentation will likely occur during the play-offs).

Each playing season will conclude with a play-off round. The team that finishes the regular season in top spot (the city champion) will be acknowledged in the play-offs by either receiving a bye in the first round, or playing the lowest rated team from the regular season in the first round of the play-offs.

The play-offs will conclude with the top two teams playing against each other with the winner being declared the **play-off champion**. The winning team will be recognized with a trophy or banner to note their accomplishment.

Play-offs will be in a tournament format – single elimination style draw. Where possible the league will have the championship games occur on a weekend to allow for the league to have a championship day or days – to aid in marketing the events. Each championship game would conclude with the presentation of awards. Awards may include team and where appropriate, individual awards such as leading scorers, all-stars, etc.

City Championship Designation – Youth and Adult

Adult Leagues

The following will apply to all adult leagues – both indoor and outdoor, starting the indoor season for 2004/2005.

Each playing season will have a regular season (league play) of a determined number of games. At the end of the regular season the team that finishes in first place will be called the **regular season champion**. As a team they will receive a single trophy or banner (or something suitable) to note the accomplishment. (There will be no individual awards).

Each playing season will conclude with a play-off round. The team that finishes the regular season in top spot (regular season champion) will be acknowledged in the play-offs by either receiving a bye in the first round, or playing the lowest rated team from the regular season in the first round of the play-offs.

The play-offs will conclude with the top two teams playing against each other with the winner being declared the **city champion**. The two teams playing in this game will each receive some form of recognition (ex. – medals, with gold for first and silver for second) and the winning team will receive a trophy or banner or some designation where their feat is recorded for future reference.

Play-offs will be in a tournament format – single elimination style draw. Where possible the league will have the championship games occur on a weekend to allow for the league to have a championship day or days – to aid in marketing the events. Each championship game would conclude with the presentation of awards. Awards may include team and where appropriate, individual awards such as leading scorers, all-stars, etc.
